Smart School Attendance App – Pricing Policy

Introductory Offer

Completely Free of Cost for the first 3 months. No hidden charges, no upfront payment, no commitment required. Schools can test the app in real-time and experience its benefits before paying. If either party is not satisfied during the trial period, the agreement can be discontinued without any obligation.

Post-Trial Pricing

₹5 per student per month.

Example Cost Calculation:

$500 \text{ students} \times ₹5 = ₹2,500$ per month.

What's Included in the Price

Mobile App & Web Dashboard for administrators, teachers, and parents. Instant attendance marking via app. Real-time parent notifications. Daily, weekly & monthly reports. Data backup & security for student records. Regular updates & technical support.

Why This Pricing Works for Schools

Affordable – Cheaper than manual record-keeping & market alternatives. Scalable – Pay only for active students. Risk-Free – 3 months free trial. Value for Money – Full-featured smart attendance system at minimal cost.

Billing & Payment Terms

Billing starts from the 4th month of usage. Monthly billing based on the number of students. Payment via Bank Transfer / UPI / Online Payment Gateway. Discounts for annual payments (e.g., Pay for 10 months, get 2 months free). Adopt quickly. Test freely. Pay affordably.

Your school's smarter attendance journey starts today!

About Us

Ramchin Technologies Private Limited, headquartered in Tiruchendur, Tamil Nadu, is a fast-growing IT solutions company committed to delivering innovative, reliable, and scalable software services. Founded by **Dr. C. Velayutham** in 2025, Ramchin Technologies blends deep technical expertise with strong industry knowledge to help businesses harness the power of technology.

We specialize in:

Custom Software Development – Full stack solutions with Flutter, React, Angular, Node.js, Dot Net, MySQL, and MongoDB.

Training & Talent Development – Equipping freshers and professionals with industry-ready skills through practical, hands-on programs.

Dedicated Hiring & Consultancy – Providing clients with well-trained software professionals tailored to project needs.

Business Applications – End-to-end development of enterprise solutions, including mobile apps, dashboards, and cloud-based platforms.

At **Ramchin Technologies**, we are passionate about enabling organizations to embrace digital transformation. Whether it is building cutting-edge applications, empowering startups with technology, or bridging the gap between talent and opportunity, we strive to deliver excellence every step of the way.

Our Team

Our Smart School Attendance App is powered by a passionate and skilled project team dedicated to transforming the way schools manage student attendance. The team brings together expertise in Flutter, Node.js, and MySQL, ensuring a seamless, secure, and user-friendly solution for schools.
